President's Message

Summer has quietly slipped away and all our fall preparations are underway. We have an exciting time ahead of us and look forward to a lot of participation from all of you.

Our September meeting could not proceed, as we were one person short of a quorum. Please come out to our October meeting and join us to welcome our Zone Commander Hettie Tyrrell and her committee who will be doing their annual visitation to our Branch. Only if you participate can you offer your views. As the Uncle Sam posters said during WWII, "WE NEED YOU! There were items that we needed the floor to approve and because we could not hold the meeting, these items were put on hold. You are important to us!

Our walkathon went well and thank you to the people who took pledges and did the walking.

The set up for Legion Week commenced September 15th so our Branch was a hustling, bustling beehive. Again thanks to all the behind the scene workers who did so much to help getting ready for this week. The displays were great and Branch 11 does this week so well, covers so much, and touches so many students. We need to get the news out to more of our friends of the tremendous amount of history that is displayed so they can come in on an evening and browse through the history that has been collected and shown for them to enjoy. Again, Helen had schools present with the young students so we can teach them the wonder and freedom of today with thanks to Veterans of all ages that are always there to defend us.

The "Rib-fest" fundraiser was a sell out, and very enjoyable. Bill Topham and a great group of his helpers made this a very successful event. THANK YOU, ONE AND ALL.

We are looking at two afternoons or evenings of sit down and be entertained so watch the bulletin board for these upcoming events.

I would like to thank Anne Bragan for all the previous work she has done on putting together the donated gifts for the Christmas raffle baskets. As Anne has declined this year a new committee has been formed, and I will be around asking all the previous donors to please contribute

as generously as you always have before to make this a success again this year. Everyone loves the good cheer baskets.

Poppy time is fast approaching and with some new territory we have acquired we will be looking for many volunteers. As this is going to the printer, I'm working on the Poppy board so everyone can fill in their desired spots and times. The one definite thing that this Branch has going for it is the volunteers that come forward whenever we need them.

Be sure to join us for the Saturday afternoon meat spins and the Saturday night entertainment. Remember the Friday open mike jam sessions and the last Sunday of the month for an enjoyable time.

Working together keeps us "*the friendly*" Branch.

Our deepest sympathy goes out to the members of their families.

Again, we have lost two members that have been members for many years. Due to age and health, neither of them has been in the Branch recently and only a few of our members will even remember who they were. The only thing we can do is honour them by sending a memorial donation on their behalf. Their families have been advised that this has been done.

Iris Beatty: again, one of our older members was very active with her husband Davey at many of the social functions held at our Branch. They also did a lot of traveling with the group that went on "Showtime" trips overseas, to the U.S.A., Hawaii etc. The people who went on those trips with them will remember them. They were also very active when our Colour Guard went to

Plainsville Ohio and then to Utica Michigan on exchange trips.

Memories, memories, memories, for many of us.

Just a note of welcome from Branch #11 to the new member who transferred to our Branch since the last newsletter:

Sean Patrick

WELCOME TO OUR NEW MEMBER and we hope that he will continue to support the Branch that he chose to join.

HONOURS & AWARDS DAY

On Sunday, October 14th, 2012 (later this year due to Thanksgiving) from 11.30am until 5.30pm, we will be having our annual Honours & Awards day. Please mark this date on your calendar. The format for this special day is now an afternoon function with a luncheon for the members and other people receiving awards as well as anyone who would like to purchase a ticket to participate in the luncheon. After the luncheon and presentations are finished, the Clubroom will be open to go to if you want to stay and enjoy entertainment downstairs. Letters to the members receiving recognition for their length of service or for their help in the Branch or community will be sent in August and there will be tickets available (for a nominal fee) for members and their guests who like to attend this great day. A notice will be posted in the Branch when the tickets go on sale but do not forget, this is a fun-day as we will be having a luncheon, the presentations and then entertainment in the Clubroom. You will definitely enjoy yourself if you decide to come.

REMEMBRANCE PARADE/SERVICE

Our parade and service is on Sunday, November 4th, 2012 (please note, a week earlier this year). Form up is at Shoppers' World at 1.00 p.m. march off at 1.30pm with a service at the Branch at 2.00pm. We will be going to the Clubroom after the service for a light meal and of course, entertainment and refreshments. We changed the location for the social activities after the service, to the Club Room,

as it appears as if more people were able to stay because they did not have to climb stairs to the top floor.

Please come out to the parade/service either, as a marcher or spectator. With the earlier serving of the meal, we are able to accommodate even the members who like to get home early. Come out and enjoy our great service, the usual SURPRISE by the Ulster Accordion Band, sometimes we laugh, sometimes we cry, but we always enjoy whatever they present us with and the meal by our Ladies. It is a great day for everyone.

Bob Murphy, Chairman

Poppy and Remembrance

The year has gone by so fast that once again Branch 11 is gearing up for the Poppy Campaign. This is a time for me personally to learn a new position as the Poppy Chairman and to participate in this campaign, which is a rewarding function that is part of the Royal Canadian Legion efforts in supporting our Veterans.

So far with the help and guidance from the past Chair June Smith, and others that have freely shared information and their past experiences with me, I am able to better understand the role and the task that lies ahead to make this campaign work for the Veterans. Through the efforts of the Royal Canadian Legion and especially the efforts of Branch 11 members and volunteers that are dedicated and offer their support and time.

This year, as in the past years we will be running our Poppy Campaign for 2012, from October 26th until November 10th, 2012. I have been working very hard so far in going personally to each place that was on the list from last year that were supplied to me and speaking to each owner or manager to make sure that they join with us to assure that once again this will be a successful Poppy Campaign.

As well, Branch 22 has requested that we help them in their area and we have decided to facilitate this request. For this year we at Branch 11 will be responsible for the following areas, The Shops at Don Mills, (Don Mills Rd. & Lawrence Ave. E.) the Beer Store and Home Hardware at 49 The Donway West and the Super Store at 825 Eglinton Ave. E. (Don Mills Rd. & Eglinton Ave. E.) this takes in an extra sixteen (16) new locations. I have also visited these locations.

We are going to be relying greatly on all the volunteers that we had in the past and I hope and encourage more members to take some time and volunteer this year to make this endeavour a successful one. Please remember your pledge when you were sworn in that you would participate and help with the Branch's effort and to support your branch in running a strong and successful Poppy Campaign. Also we will be recruiting more Cadets this year to help with the tagging at the new locations as well as Branch 11's old area, so we are going to require more drivers to help us in moving the Cadets back and forth to the various locations. If you can help with this driving of Cadets please contact me.

Please take note; I have used the word **SUCCESSFUL** several times. This Campaign can be that **SUCCESSFUL** if we all pitch in and volunteer a couple of hours each to make sure that this is a **SUCCESSFUL CAMPAIGN.**

**PLEASE SUPPORT YOUR BRANCH FOR THIS
POPPY CAMPAIGN!!!!**

Thank You,

John N. Dufort

Ways & Means

Hi Folks,

Our Sunday funday in July was a poor turnout, I guess everyone was away on holidays, but the rib fest made up for that. The day was a complete success thanks to many people who donated food and helped in other ways from the ladies at the serving table, to the cooks at the main floor oven, the barbeques outside and our bar steward.

The day was a complete success; we sold out and made a profit of \$1283.00 on that day.

There were a couple of glitches and I apologize for that as this was the first time I have run a function on this scale.

Thanks again everyone.

Youth Education

The students are back from summer vacation and I started the process of connecting with the Principals and Teachers to promote our Remembrance Contest. Unfortunately, with the passing of Bill 115, I am concerned that in some schools the information will not get out to the students, unless the information can get into the hands of parents. However, one of our schools so far at least has not let the controversial Bill stop our Legion Contest from getting out to their students. I am working on the other schools – keeping my fingers crossed. In the meantime, I have on hand from Ontario Command a large quantity of flyers promoting the Remembrance Contest and would be grateful to members if they would pick some flyers up and pass them along to their neighbours who have school aged children (grades 1 to 12). I will also drop off the flyers to the Library on Dawes Road. I have already booked November 17 (3rd floor), for the judging of the entries to take place. Accordingly, any help in dropping off flyers either to parents and/or nearby Libraries would get the ball rolling.

Walkathon

Here it is the end of summer and the end of another walkathon fundraiser for the Tony Stacey center. The weather was good for walking and we did better than last year by over \$2200.00 as last years total was \$1163.00, this years total was \$3413.00. District D's grand total last year was over \$17,000.00.

Thanks to the walkers and also the members and friends who supported them.

This year we had our own T-shirts, although the printing that identified our branch could have been larger at least it made our members stand out along the walk.

I hope to see more out walking and lots more supporters next year.

Veterans Service Officer Report

For those who are trying to talk to a DVA person that you might have contacted before there has been a new telephone system installed due to cutbacks and some people moved and some terminated.

You should call the same number and if that line is busy, your call will go to another office, maybe Kirkland Lake or even New Brunswick. The person you might want to speak to will be notified, if they are still working for the DVA, and they have received your message, you might get a call back.

For those not receiving a call back you may have to re-state your question to the new person answering the phone, and hope they can help.

Dealing with the DVA can be very frustrating as new forms are being introduced and requirements change so all we can do is keep trying.

As of yet I still do not have any dates for any of the Zone or District Sports Events. However, there is a District D Sports Meeting on October 13th at branch 210, which I will be attending. It will be at this meeting that I will get all the dates, times and locations where all the various sports events are going to be held for both the Zone and District Level. So look for the various sign in sheets located on the notice board at the back of the clubroom to be up around the 20th of October... If the number of entries signed up for any event is greater than the number of entries which the branch is allowed to send for that event, there will have to be an in house branch playoff to determine which entries will be the ones to move on.

I have been approached by a couple of people to see if it would be possible to have some sort of Cribbage League running in the branch. In my opinion the most feasible night would be on a Tuesday as the other nights are already taken up with other leagues or meetings. I do realize that the Ladies Auxiliary has their dart league running on this night. Right now I have no idea what type of format we could use, i.e. playing as singles, fixed doubles, or rotating doubles for each night. Also not certain how this could run in regards to fees paid each night and any prize payouts. The only thing I am sure of is that we would be playing a set number of games each night. So I am going to put up a couple of sign up sheets up to see what the interest would be in having this type of league running at Branch 11. The league would be open to anyone who would be interested in playing.

There will be two signup sheets; one on the notice board at the back of the clubroom, the other will be located on the notice board by the women's washroom. I also want to have a meeting on Tuesday October 23rd in the clubroom starting at 7:30 p.m. to discuss how we can go about doing this and also how we would run this league. So I am asking anyone that would be interested in playing in a cribbage league, to please attend this meeting and also add your name to one of the sign up sheets, so that I can have an idea how many people would be interested in playing. If you will not be in the branch before October 23rd to add your name to one of the sign in sheets but would be

interested in playing please give me a call at 416 751 0224 to let me know you are interested in playing.

Our Friday Night Blind Draws Darts is still doing very well. The Dates for the next few events are as follows. In October we will be playing on the 12th which will be a mixed blind draw, and also on the 26th. In November we are playing on the 9th and on the 23rd, hope to see you out at all or some of these nights. Also on the Friday nights that we are not doing the regular blind draw darts there are usually several people who show up to play darts, they make up pairs and play some form of darts. There is a small of \$5.00 fee charged with all the money going back to the winners that night. Again, this is also a fun night. So why not come out and give it a try.

Over 60 Club

The Over 60 Club would like to welcome three new members, Joyce & Bernie Haden and Cathy Cole.

The club is doing great with euchre and darts.

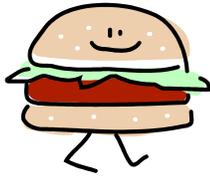

An eagle can kill a young deer and fly away with it.

Peanuts are one of the ingredients in dynamite.

Heinz catsup leaving the bottle travels at 25 miles per year.

It's possible to lead a cow upstairs but not downstairs.

The state of Florida is bigger than England.

Our inside George Foreman grill has died, unfortunately, just as the barbecue season is winding down to end for the season. It was originally donated to the Branch by Gord & Helen Pearce and has seen about eight years of service and has been repaired once but it has bit the dust, as they say. We now have a new grill so the hamburgers and hotdogs on Saturday meat spins will continue.

Legion Week

What a great team of volunteer crews (both behind the scenes and during the week)! As a result both our Sunday opening ceremony and throughout the week went very well. We were fortunate to have a nice turn out of Veterans on the Sunday and several who gave up their personal time to come out during the week to interact with the students. What wonderful living history they are for these students. We had over 200 (down from last year by more than 200) students visit throughout the week from three different schools – one from our area and two from Zone D-5, in spite of Bill 115! I say kudos to those schools and dedicated teachers. We were very fortunate this year to have Brian Hutchison attend, one of our biggest display contributors and very informed Canadian Military History buff, 3 days out of the 5 days, along with his son Brian who stepped in smoothly when his father could not be there. Another young knowledgeable man was Daniel Caster who was able to assist 4 days out of the 5 days. His leadership qualities noted and, we definitely look forward to his becoming a member of Branch 11. Another delightful addition, were the two young students

who received a Legion Award for their presentation of Laura Secord's involvement in assisting Canada in the War of 1812. They presented on the 18th, spent the day as there were two sessions and did an excellent presentation for the students visiting that day. In between times, the two youngsters did homework. Their parents did a relay job of getting them to our branch, being there and then taking them all the way back to North Etobicoke. The grand finale took place on Friday when much to my surprise Brian Sr. arranged for himself attired as a WW1 soldier, Daniel Caster as a modern day soldier, Brian Jr. and another young chap to arrive in 1812 attire – Brian Jr. in the American Uniform and Matt Rigglesworth in a Canadian Volunteer Farmer attire for 1812. It was truly amazing! Both these young men have been a part of the Old Fort York presentation of the militia of that era and yes they were great. I am in a real dilemma, the space in this newsletter is limited I am unable to recognize all the hard working people involved who made Legion Week such a success. Accordingly, I will be posting the list on our web site and on the board in our Club Room. You all deserve to be recognized. From me to all of you thank you.

Once again, I am starting to collect items for our gift bags and hope that members will consider contributing again as well.

In August Anne Bragan and I went to celebrate Marg Fairborns 100th birthday. We did ask a few ladies who had been in the Senior's club for many years with Marg. Marg was in a wonderful mood, still humorous with that little devil in her eye. We had her laughing and just having a grand old time.

Thanks to Joyce Haden for coming and taking pictures. The pictures are in the photo album at the Bar. Please have a peek if you wish.

Well I think that is all for now. Please mark down the dates I have noted. I hope to see you out.

It is with sincere regret that I tell you of the passing of our beloved comrade, Edith Beausoleil. Our deepest sympathies go out to the members of her family.

Calling upon all ladies and gentlemen, please check out your jewelry boxes and anything you would like to pass along, please gather up and leave in a bag with Margaret's name on it behind the Bar in the Clubroom. As many of you know, Marg does a wonderful job diligently cleaning all the jewelry first before beautifully displayed at the Bazaar.

Dear Friends,

Please accept my apology for my late response in thanking you, Branch 11 for your kind words, thoughts and well wishes during my recovery.

If you haven't heard by now I broke my right hip and had to stay in hospital and then in a rehabilitation center, Providence Villa while I recovered from surgery.

Words cannot describe my appreciation at the out pouring of support I received. The cards, gifts, flowers and goodies were thoughtful and generous. The many visitors helped me get through the long days at the rehab center.

Thank you Branch 11, you are the best and dearest of friends. Well, that was one *helluva* way to get out of doing the Sunday burgers and hotdogs.

Sincerely,

Vi Kelly

Farmer Joke

An out of town driver drove his car into a ditch in a desolated area. Luckily, a local farmer came to help with his big strong horse named Buddy. He hitched Buddy up to the car and yelled, "Pull Nellie Pull!" Buddy didn't move. Then the farmer hollered, "Pull Buster Pull!" Buddy didn't respond. Once more, the farmer commanded, "Pull Coco Pull!" And the horse easily dragged the car out of the ditch.

The motorist was most appreciative and very curious. He asked the farmer why he called his horse by the wrong name three times. "Well....Buddy is blind and if he thought he was the only one pulling, he wouldn't even try."

An aged farmer and his wife were leaning against the edge of their pigpen when the old woman wistfully recalled that the next week would mark their golden wedding anniversary. "Lets have a party Homer," she suggested, "Lets kill a pig." The farmer scratched his grizzled head. "Gee, Ethel," he finally answered, "I don't see why the pig should take the blame for something that happened fifty years ago."
