### President's Message

Well, this wraps another year up at Branch 11. I cannot say that the year was a total success but we did a great job of holding our own and unfortunately we have fallen short in the revenue department. In the past six months due to higher costs of water and hydro, this has taken a bite out of our bank account, so please come out and support your Branch. I am hoping that the next six months will help us move back into the black.

The Branch survives on the dedication that the Executives have put forth on the day to day basis on the operation of this Branch (*Also let us not forget the members that are not on the executive but hold chairs, Jean Whynot, Bob Murphy, Joe Calderone, Jeff Paulin and our special volunteer decorators Joyce and Bernie Haden.*)

The Ladies Auxiliary has once again been a huge help at all the functions that we have had in the past year. Thank you all and keep up the good work. Thanks to the Ulster Accordion Band for leading us at the different parades and all the various functions you attend and provide entertainment for the Branch members.

#### **Thanks to all that volunteer and help at our Branch.**

Thanks to Ed Kenny and his wife Vi. Also to those who are constantly in the Branch helping out-Charlie Silson, Gary Gale, Kenny Erwin. But let us not forget the staff of Branch 11, Anne Bragan, Nancy McKnight. Sandy Venman and Rick Anderson, you guys assist the Branch in many ways and help make the Branch an enjoyable place for our members to partake and enjoy the Branch. **Thank You!!**

But the biggest thanks of all must go out to all the **volunteers** and the **members** of **Branch 11** because with you we would not be the **"Friendly Branch"** Thank you for all that you do.

Just a reminder we are always looking for new ideas of what you the members would like to have at the Branch whether it is different entertainment ideas or functions that you believe we should try at the Branch. Your feedback is always important to

us whether it's good or bad. You can always write a note to me and leave it for me behind the bar.

The President's levee will again be held on December 24<sup>th</sup> from 12:00 until 5:00 pm. I hope to see many members out this day, raffle tickets are on sale and the draw for various baskets will take place as usual thanks to the Over 60 Club. Just a reminder we are looking for donations that will go into the Christmas Cheer baskets.

On behalf of the Executives and staff of Branch 11 and from my family wishing you and your families a wonderful holiday season.

**"MERRY CHRISTMAS and a HEALTHY,  
HAPPY NEW YEAR"**

MEMBERSHIP

IMPORTANT IMPORTANT

Any member who has not paid their 2017 dues by January 31, 2017 is classed as “a member not in good standing” as per the By-laws of Dominion Command. As a Branch adhering to these By-laws as well as having this requirement in our own Branch Regulations, any member “not in good standing” will not be allowed to participate in any functions in the Branch, to be served at the bar or participate in any sport activities. We would really like to see all members continuing to enjoy the facilities of our “Friendly Branch”. PLEASE PAY YOUR DUES AS SOON AS POSSIBLE IF YOU HAVE NOT ALREADY DONE SO. If you do not pay before December 31<sup>st</sup> (in January or later) your dues will be \$55.00, \$50.00 for dues and a late penalty of \$5.00 which covers some of the costs of sending letters and reminders out to delinquent members.

Thanks to everyone who has already paid their dues for cutting down on the costs to the Branch as no reminders have to be sent out to you, which saves a lot of mailing and copying costs. If you are sending in a cheque and want your card mailed to you, it would help the Branch funds if you would include a stamped, self-addressed envelope to send your card as we, along with every Legion Branch, are feeling an economic crunch due to our aging population and decreasing membership. Your help regarding this matter would be appreciated.

If there is any reason that you are not planning to renew your Legion membership please call me at home 416-266-7359 (I have an answering machine), phone the Branch 416-699-1353 and leave a message for me or the President, John Dufort or drop a line to my attention as membership chair. We would really like to know why you no longer want to belong to our great Branch as well as the organization known as The Royal Canadian Legion.

THANK YOU THANK YOU

A note of thanks to all the members who have sent in pre-addressed stamped envelopes for the mailing of their membership cards to them. This year we also had

a number of members send in money to buy postage stamps. I cannot express enough thanks to all the members who have sent in stamped envelopes, money for stamps or stamps, as this little bit on your part contributes a lot to our finances. I have probably had at least 100 of our members so far, do this little thing and for us this translates into 100 times .85 cent postage + GST and 100 times the cost of an envelope in savings as well as the financial/stamp donations that we received. Every little bit on your part helps out the bottom line in OUR Branch. Again, thank you, thank you.

IMPORTANT NOTICE:

ATTENDANCE AT GENERAL MEETINGS

Considering the number of members in our Branch, we have poor attendance at our meetings and have come very close to not having a quorum and therefore not conducting a meeting. Unless we have sufficient members attending (total number of people on the floor matching the number of executives in attendance plus one) we do not have a quorum and are unable to proceed with the meeting. It seems as if the few members who do attend consistently attend every meeting with very few new attendees; you know who you are and thank you for being there. If you have any issues about anything in the Branch, it **must** be brought to the General membership for discussion and approval. If we don't have enough members these items might have to be held over until the next month or your Executive must make the decision to handle the items and get approval after the fact. We as your Executive do not like to go ahead with anything without floor approval but sometimes we can't wait two or three months for floor approval. Please come out to our/your important General Meetings. They are held on the first Wednesday of every month at 8:00 pm except July and August when there are no General meetings. It would be nice to see both long service and new members at future meetings.

### **Building**

On Monday November 28<sup>th</sup> and Tuesday Nov 29<sup>th</sup> our neighbours to the east will be building their fence just on the grass behind the curb on Branch property. The loss of space (the overhang) will not allow for large vehicles to park there. So if we leave those spots along that fence for smaller cars it would be much appreciated. The fence should be in place until September 2017. Sorry for the inconvenience and thank you for your co-operation.

***Jeff Paulin***

### **Legion Week**

The Legion Week committee would like to THANK everyone who participated in once more making this week an enjoyable treat for the children and the veterans.

A special thanks to the Hamilton Signal Corps for enlightening us all and helping us understand how poor the conditions were and how the signals were all handled.

Have a wonderful Christmas with your families and friends and every good wish for the New Year of 2017.

### **BASKETS OF CHEER**

The Over 60 Club will be doing baskets again for our draw on December 24<sup>th</sup>. We require lots of donations, please leave them at the bar for my attention.

### **Ways & Means**

Hi Folks,

The cold weather set in in a hurry. On Sunday fundays it will be cooking inside. There will be no Sunday funday in December but on January 27<sup>th</sup> we will be entertained by the Silver Wings.

Merry Christmas and a Happy New Year to all.

### Poppy

As I write this submission, the 2016 Poppy campaign is finally drawing to an end with most of the boxes in and the donations accounted for. I don't have a complete total yet but should have it by the December general meeting and will announce then. For those not present I'll ensure it in the next newsletter.

I will say that it is looking like we will probably surpass 2015's total which I had hoped to. I do have some other numbers though to share. First our cadets once again came through for us and in two Saturdays of tagging doubled what they brought in last year with just under \$10,000.00.

As I've said since the spring our Poppy area has doubled in size and we've begun to adjust to this. The number of schools we have now more than doubled and as always the Ladies Auxiliary ensured that all the students received a Poppy or Poppy sticker in their own envelope.

Last year we had a total of 205 counter boxes out, 140 at one time, the other 65 were replacements for those filled and being counted. This year we had 326 boxes out at any one time. There were sufficient spares to ensure that these numbers were maintained, as was the increase in frequency in counting and rolling, allowing a quick turnaround of boxes.

Last year out of that 140 we had two boxes reported stolen. This year out of those 326, so far only one.

The increase in school and counter box donations will account for any improvement or success this year over previous ones, however in one important area we were down tagging.

According to the board we had 851 tagging spots that is 851 two hour shifts at any of the 14 locations now

in our area. Only 180 of those shifts were filled, and in those 180, 53 shifts were done by cadets.

That means 127 tagging shifts were filled by Branch members. Some of those shifts did have two people at them, but in many cases someone did two, three, four or in one case fifteen shifts. The above does not include the four taggers we sent to the air Canada Center and the four to the Eaton Center in support of Branch 22.

671 Shifts were unfilled, that's 1342 hours where we did not have a tagging presence in our area at least at some place. There were many reasons why the number of taggers were down, some were discussed at the November meeting, but reasons don't really matter, just the potential consequences.

To add to this many taggers also reported that they felt they were getting less money this year compared to last, Even with an increase in counter boxes and schools we need to be prepared for possible lower returns in the future and develop plans to work around it.

About 53 members of the Branch tagged this year and a total of 67 helped in some manner with the Poppy Campaign, counting, rolling, driving, re-building boxes and numerous other jobs, many doing more than one. That's less than 70 people out of a membership of over 400 who kept their oath to actively participate in the Poppy Campaign.

I know that of the remaining 300 plus there are those who can no longer help due to their age and/or medical condition, and I understand you did your share in years past and I thank you. Other members don't live nearby, although I hope you did volunteer in some way near where you live. For those who did participate and kept their oath, you have my gratitude and sincere thanks. For those for whatever reason did not, I'm sure you had your reason.

I'm going to end this on a positive note. Earlier this week Cathy Cole gave me a note that was in one of the envelopes we distributed to students. On it was printed in pencil:

"I'm sorry I only had 25 cents, It's the best I could do! Thanks for everything."

No matter what the final total of donations was this year that note, that declaration that some young

person was willing to give all they had made it all worthwhile.

### Youth Education

**September-October** We have 21 schools now and with the help of Gord Pearce, Elsie Higgins, Helen Pearce was able to deliver the Remembrance Contest material to all the schools;

**November 8<sup>th</sup>** saw June Smith, Elsie and Helen visiting two Blue Bird Montessori Schools in the morning to interact with 3 and 4 year olds. June did an excellent job giving each child a Poppy to stick over their heart – in some cases they weren't too sure which was left but June quickly had them sorted out in that respect, and at the end the wee ones stood up and sang O Canada word for word – not too many adults can do that! In the afternoon the trio visited Avondale Seniors Residence and once again June did an excellent presentation in the course of doing so discovered some Veterans amongst the residence who also spoke;

**November 10<sup>th</sup>** for the 3<sup>rd</sup> year Helen was invited with a speaker to attend the York Group at St. James Cathedral. This year they requested someone who was knowledgeable in what the Legion is and does. Jay Burford presented and impressed the group so much so several expressed an interest in joining. The next day the lady running the group contacted Helen for some more information and advised she is submitting her application to Branch 286 – well done Jay.

**November 11<sup>th</sup>** – back in June Helen received a request from a teacher at Leo Baeck School for a Veteran to speak. As a result Mike Turner graciously volunteered as did Rick Groome and together the trio struck out on a TTC adventure to that school in the west end. It turned out to be a very rewarding adventure. Mike was called up to give a 15 minute presentation to 200 students ranging from grades 4 to 8, after which Rick joined Mike at the podium to answer questions. Both gentlemen were amazed at the questions and interest from the students. They stayed on an extra hour to accommodate all the questions – kudos guys!

**November 19<sup>th</sup>** – Judging of the Remembrance contest entries was done. There were 115 entries, down considerably and sadly no entries from any of the new

schools Branch 11 has inherited as a result of the Poppy area restructure plus no high school entries. However, our regular supporters – George Webster, Gledhill and Secord came through with flying colours! We have 9 first place entries going on to Zone and will be going into those schools in January to present the Branch's awards and Certificate to each 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place winners;

June would like to thank Ken Erwin, Jill Grief, Robert Maygar, Jim & Gay Fowler, Anne Davis, Elsie Higgins, Lauren Gava & Helen Pearce for all their help that day.

### Sick

Hello Comrades.

This has been a very trying year for some of our members.

Joe Lake had a fall at Sunnybrook, thankfully nothing was broken. He has been on antibiotics for a virus and is coming along.

Gwen Lake caught a virus that led to a bladder infection and spent three days in hospital and home now.

Sam Kidd is still at Bridgepoint and no change.

Daniel Caster has had a terrible summer, he has been diagnosed with Enteritis arthritis which is very painful and receives treatment every Monday.

Doris Goobie was in Barrie helping her son move when she hit a corner in the hallway, Doris had a black eye and a large lump over her eye, it looked terrible but it didn't stop her from Poppy tagging.

Betty Groome suffers from fibromyalgia and sciatica. Betty is in a lot of pain.

Alice Million has been in our mixed league darts for dog's age and is now retired due to health problems. She is missed.

Jeannette Phalen is undergoing treatment, we wish her well.

Joan Gray Was back at the Branch on Remembrance Day. She is now living with her daughters and they are trying to get her into an assisted living home near them.

Lorrain Stanich suffers from gall bladder attacks but the doctors will not operate because of her heart.

Lisa Cromwell Somehow got her foot jammed between a wall and her scooter. It has been badly bruised but not broken. She has a nurse come in every day to help her.

John Dufort is now back at the Branch after having total knee surgery. This was the second time on his left knee. He was in the hospital for 18 days.

Brian Nichols is still getting treatment.

Jack Riddell has had eye problems and had to cancel his holiday to Hawaii. He said it is improving a little each day.

Mike Hook passed away on November 3<sup>rd</sup>, a private service was held at his home.

John Moody is still okay at Providence. Rose Moody underwent surgery but with good news that it wasn't cancer.

Bill and Mary King are doing okay.

Jeff Paulin lost three members of his family in 2016.

Thanks George Kerr for returning the walker.

Thanks to John Chafe for his help.

I will be visiting all the shut-ins before Christmas and delivering them a Christmas card from the Branch.

Merry Christmas, Happy New Year and Happy Hanukah everybody, be safe.

### **Veteran Service Officer**

A few updates since my last submission to the newsletter.

First of all we have received our copies of Volume Three of the Military Service Recognition Book and while not all the submissions from Branch members were published I have been assured by Aurora that those still outstanding will be in Volume Four next year. A couple of our members were in this edition and I'll ensure they receive a copy as will all local schools and libraries. A copy will also be placed in the clubroom alongside the other two volumes for those

who wish to look through. They are still accepting nominations for future volumes for those who have yet to do so.

I mentioned that our letter writing campaign to keep Sunnybrook open for all veterans is gaining some traction, and we need to keep the pressure on our politicians, if you have not already written your MP please consider doing so. It is important that all Veterans have a place to spend their sunset years in dignity and amongst their brothers and sisters in arms if they so need to.

The newly formed Operation Stress Injury (OSI) Special Section continues to move forward with a representative appointed to liaise with Ontario Provincial Command. They are still hoping to launch outreach patrols in the Toronto area this winter to find and assist homeless Veterans. Several Branch 11 members have volunteered to assist in this endeavour.

We have already been asked by Zone D3 and Provincial Command to assist with a few homeless Veterans both because of our location and more so our willingness to do so. I expect with winter coming on we'll see more requests and I know all members are up to this.

Should you come across one in the clubroom who has come in to ask for help or waiting to see me, please go out of your way to try to make them feel welcome. We've all heard horror stories of branches that have turned away veterans and/or treated them poorly. Branch 11 is not that kind of place and we live up to our motto of "the Friendly Branch".

As always I'm available to anyone who wants assistance, advice, referrals or just information.

### **Ladies Auxiliary**

Hello Ladies,

I can't believe its December already. We had our Remembrance Service at the Branch on Nov. 6<sup>th</sup> and I thank Eunice Francis for marching with me so I wasn't

alone. I thank Cindy LeRoy and the ladies in the kitchen for their roast beef on a bun after the service, it was delicious and we had a mild day for the East York Remembrance Parade. We had our Annual Bazaar on Nov. 19<sup>th</sup> and I would like to thank all the people who came out to sort and put everything out, the people who were here on Saturday to sell and all the people who helped clean up, it was super job done by all and our and our Bazaar was a success. We wouldn't of been able to do it without all of these people. Helen Small has been busy and there are only two prizes left to be picked up.

I would like to thank Romelda Borkowsky for her generous donation of \$90.00 which will be used for the Sunnybrook Vets.

December is a busy month, we have Zone cribbage on the 6<sup>th</sup> at Branch 258, our Christmas social at Sunnybrook on the 10<sup>th</sup>. Anyone wanting to come up and help please let me know so we can arrange enough transportation. We leave the Branch around 12:30-12:45, the Ulster Band plays from 1:30 till 3:00 and we hope to have Santa saying "Hi" to all our Veterans.

Our General Meeting is on the 14<sup>th</sup>. Our Zone Commander will be making her official visit this night and we will also be having our Christmas Cheer after the meeting. Our Executive meeting will be on the 28<sup>th</sup>. The Branch is having their New Year's Eve Dance on the 31<sup>st</sup> and all are welcome, the tickets are \$30.00 per person.

January starts a brand new year-2017. Our General Meeting is on the 11<sup>th</sup> and our Executive Meeting is on the 25<sup>th</sup>.

I want to remind everyone that our General Meetings are on the 2<sup>nd</sup> Wednesday of the month and our Executive meetings are on the LAST Wednesday of the month.

I will take this opportunity to wish each and every one of you a very Merry Christmas and a Happy New Year. Have a safe and happy Holiday Season.

**Nancy McKnight**  
**L.A. President**

Dear Comrades,  
I would like to thank the following people who came and helped with the school poppies this year. Thanks go to Vi Kelly, Katelyn Hawker, Nicole Bouldreault, Karen Bouldreault, Joanne Bardon, Sharon Hamon.

Joyce Haden, Anne Davis, Gail Burrow, Betty Groome, Eunice Francis, Laura Groome, Cindy LeRoy, Debbie Strickland, Tim Prevost, Jason Provost, and Nancy McKnight. Also many thanks to James Smith and Cathy Cole for getting everything ready. Also many thanks to all the members who filled brown envelopes. We had so many extra schools this year we would not have been able to do them in a timely manner without your help. Once again many thanks to all.

Yours in Comradeship

### A couple of jokes

A pig walks into a bar and orders 15 beers and drank them. The bartender asks, "Would you like to know where the bathroom is?"

"No" said the little pig. "I'm the little pig that goes wee-wee-wee all the way home."

The town cop was parked outside a bar at midnight watching for drunk drivers, when he saw a man stumble out the door, trip over the curb, try thirty cars before opening the door to his own, and fall asleep on the front seat. One by one the drivers of the other cars drive off, and finally the guy wakes up, starts his car, and pulls out of the parking lot. The cop pulls him over and gives him a Breathalyzer test. The results shows a 0.0 blood alcohol level and the cop is puzzled. He asks, "How can that be?"

The guy says, "Well, tonight was my turn to be the decoy."
