PRESIDENT'S MESSAGE

The Branch had a pretty good year so far and we are doing quite well, but this does not mean that we can let our guard down and take it easy. We all need to keep working hard and support the Branch and all its special functions

The Branch survives on the dedication that the Executives have put forth on the day to day basis on the operation of this Branch *(Also let us not forget the members that are not on the Executive but hold chairs, Jean Whynot, Joe Calderone, and our special volunteer decorators Joyce and Bernie Haden and Susan Squires looking after our Special Functions and the meat spin along with her volunteers Fred & Linda Green and all the other volunteers that help with the meat spin.)*

The Ladies Auxiliary has once again been a huge help at all the functions that we have had in the past year. Thank you all and keep up the good work. Thanks to the Ulster Accordion Band for leading us at the different parades and all the various functions you attend and provide entertainment for the Branch members.

Thanks to all that volunteer and help at our Branch

Thanks to Ed Kenny and his wife Vi. Also to those who are constantly in the Branch helping out Charlie Silson, Kenny Erwin. But let us not forget the staff at Branch 11, Liz Luciani, Nancy McKnight, Andrea Legarde and Fitsum Tedla, you guys assist the Branch in many ways and help make the Branch an enjoyable place for our members to partake and enjoy the Branch. **Thank you!!**

But the biggest thanks of all must go out to all the **Volunteers** and the **members of Branch 11** because without you we would not be able to survive. Thank you for all that you do,

Just a reminder we are always looking for new ideas of what you the members would like to have at the Branch whether it is different entertainment ideas or functions that you believe we should try at the Branch. Your feedback is always important whether it's good or bad. You can always write a note to me and leave it behind the bar for me.

The President's Levee will again be held on December 23rd from 12:00 pm until 5:00 pm. I hope to see many members out this day, raffle tickets are on sale and the draw for various

baskets will take place as usual thanks to the Over 60 Club. Just a reminder we are looking for donations that will go into the Christmas Cheer baskets.

On behalf of the Executives and staff of Branch 11 and from my family to yours I am wishing you and your families a wonderful holiday season.

**“MERRY CHRISTMAS and HEALTHY, HAPPY
NEW YEAR”**

Our deepest sympathy to the members of all those families who have recently lost loved ones.

Joe Lake: Joe was one of the longest service time members in our Branch; he just recently received his 55 year pin and a 55 year bar which goes on his 50 year medal. There aren't enough words to describe how so many of us feel with losing this proud Legionnaire. A man who occupied every chair on the Executive, ran many functions for “his” Branch including the infamous Friday night dances with the help of his wife, **Gwen**, and many others too numerous to mention. He has been missed by many while he spent his last years at Sunnybrook Veterans Wing but whenever our Ladies Auxiliary went and ran their Wednesday night bingos,

Gwen often brought him down to play, he always had his wonderful simile on his face when he recognized any of us.

"Rest in peace Joe, "lest we forget

Alice Million: Alice was a fighter and for a number of years she showed many of us how when adversity strikes you just keep plodding through. She was active in our Over 60 Club, playing cards, supported their trips to the casinos, and came to most of the meetings even when she wasn't feeling well. She will be remembered as a fighter by many who knew her well.

****Cathy Cole, Membership Chairman Information****

Just a note of welcome from Branch 11 to the new members who have joined or transferred into our Branch since the last newsletter:

Doug Berger, Sandy Ewart, Robert Liberty, Joseph Marianayagam, Debbie Mackinnon

WELCOME TO ALL OUR NEW MEMBERS and we hope that you will continue to support the Branch that you chose to join.

MEMBERSHIP
IMPORTANT, IMPORTANT, IMPORTANT

Any member who has not paid their 2018 dues by January 31, 2018, is classed as "a member not in good standing" as per the By-Laws of Dominion Command. As a Branch adhering to these By-Laws as well as having this requirement in our own Branch Regulations, any member "not in good standing" will not be allowed to participate in any functions in the Branch, to be served at the bar or to participate in any sports activities. We would really like to see all members continuing to enjoy the facilities of our "Friendly Branch".

PLEASE PAY YOUR DUES AS SOON AS POSSIBLE IF YOU HAVE NOT ALREADY DONE SO. If you do not pay before December 31, in January or later, your dues will be \$55.00 - \$50.00 for dues and a late penalty of \$5.00 which covers some of the costs of sending letters and reminders out to delinquent members.

Thanks to everyone who has already paid their dues for cutting down on the costs to the Branch as no reminder has to be sent to you, which saves us a lot of mailing and copying costs. If you are sending in a cheque and want your card mailed to you, it would help the Branch funds if you would include a stamped, self-addressed envelope to send your card in as we, along with every Legion Branch, are feeling an economic crunch due to our aging population and decreasing membership. Your help regarding this matter would really be appreciated.

If there is a reason that you are not planning to renew your Legion membership, please call me at home 416-266-7359 (I have an answering machine), phone the Branch at 416-699-1353 and leave a message for me or the President, John Dufort, or drop a line to my attention as Membership Chair. We would really like to know why you no longer want to belong to our great Branch as well as the organization known as The Royal Canadian Legion.

THANK YOU, THANK YOU, THANK YOU AGAIN
AND AGAIN

A note of thanks to all the members who have sent in self-addressed, stamped envelopes for the mailing of their membership cards to them. This year we also had a number of members send in money to buy postage or actual stamps. I cannot express enough thanks to all the members who have sent in stamped envelopes, money for stamps or stamps, as this little bit on your part contributes a lot to our finances. I

have probably had a least 100 of our members so far, do this little thing and for us this translates into 100 times .85 postage +HST and 100 times the cost of an envelope in savings as well as the financial/stamp donations that we received. Every little bit on your part helps out the bottom line in OUR Branch. Again, thank you, thank you!

IMPORTANT NOTICE: ATTENDANCE AT GENERAL MEETINGS

Considering the number of members in our Branch, we have very poor attendance at our meetings and have come very close to not having a quorum (almost at this November GM) and therefore not able to conduct a meeting. Unless we have sufficient members attending – total number of people on the floor matching the number of Executives in attendance plus one, we won't have quorum and thus unable to proceed with the meeting. It seems as if the few members who do attend, consistently attend every meeting with very few new attendees. You know who you are and thank you for being there. If you have any issues about anything in the Branch it **must** be brought to the General Membership for discussion and approval. If we don't have enough members these items might have to be held over until the next month or your Executive must make the decision to handle the items and get approval after the fact. We as your Executive do not like to go ahead with anything without floor approval but sometimes we can't wait two or three months for floor approval. Please come out to our/your **important General Meetings**. They are held on the first Wednesday of every month at 8:00 p.m. except in July/August when there are no General Meetings. It would be nice to see both long service and new members at future meetings.

Poppy

With every Poppy worn proudly by Canadians, we send a message of thanks to our Veterans both past and present. The 2017 Poppy Campaign is finally drawing to an end with most of the counter boxes/schools having been collected and the donations accounted for. We don't have a final tally yet but we should surpass the very successful Poppy Campaign of 2016.

We had 388 counter boxes serving 258 locations. We had the cadets out there tagging on the two Saturdays. More important **you** came out and helped one way or another from either the envelope stuffing party we had with the L.A. preparing the packages for the schools, and for the membership, or taking shifts tagging, driving the cadets and taggers, putting out the counter boxes, refreshing the counter boxes, collecting or rebuilding the counter boxes, "Poppy sitting" at the Branch in my absence or ensuring there was always food for the 'workers'. My sincere thank you to each and every one of you.

As well as we have done, we can always do better.

Next year's Poppy Campaign has three Saturdays. We are making arrangements to be regular Tagging participants at the ACC and hope to secure one of the downtown business towers as our own.

Next May we will have our first Poppy Campaign strategy meeting. We will form a Poppy committee and will be looking for your ideas.

Because of the great work you have done, we can proudly continue to support our mission. To serve Veterans, including serving military and RCMP members and their families, to promote Remembrance and to serve our communities and our country.

Lest We Forget

It is to our children's advantage as University or College is a very expensive learning experience. It is available for our Veterans' children and grandchildren. Please be sure not to neglect someone in your family by not applying on their behalf.

Sports

Well comrades the end of the year is fast approaching. Zone Sports will soon be over for another year. Our Branch has been very supportive this year and quite successful. All four of our cribbage teams are moving on to District in January. Our four 8 ball teams are moving on to District with Asif Sanji and Jim Thompson winning at Zone. Our two snooker teams will be replaying the Zone later this month. In Euchre, three teams will be moving on to District. All that remains are the three dart tournaments to be held in December and January.

Merry Christmas to you and yours.

Sports Chair

Sick

Hello comrades,

George W Moorhead is a Veteran and has been a member of our Branch for over 65 years, George is now residing in Sunnybrook and is doing very well.

Bill King, also a Veteran and has been a member of our Branch for over 25 years. He had an operation on his left knee that has finally healed and he has more blood tests coming up. Bill doesn't get out as much as he would like as his wife Mary cannot be left on her own.

Marg Smith was in the hospital for day surgery. Unfortunately it lasted over 8 days. Marg is now at home and will see her doctor at the end of November for her results.

Rose Mooney is having an ultrasound on her legs. Ruby (her sister) told me it was an infection, everything OK.

John Mooney is doing well. Rose was up to the locked unit to see him as his attendant told Rose that John said her name. If Rose hears that it will be a great Christmas present for her. Joe (Crusher) Lake and Alice Million passed away. We have lost two of our special members, a very sad time for everyone. Our condolences go out to Joe and Alice's family. RIP

Sheila Hadden is still in Harmony Hills. She sleeps a lot and looks very frail.

Pat Collie seems very happy at Fountain View, she loves to talk to other residents and tries to help them.

Paul Stone is feeling much better, thanks to everyone for their concern.

June Smith had a very nasty fall. She is under Doctor's care and resting at home.

Gwen Lake is waiting for the results of an MRI

Thank you Neil and Sam for the help.

Merry Christmas and all the best in the New Year.

Youth Education

Judging of Branch 11's schools who submitted entries to the Remembrance Poster & Literary contest took place November 18 by Judges Anne Davis, Martha Jackson and Victoria Armstrong. YE Committee Members Elsie Higgins assisting with the data coordinating, Helen Pearce overseeing as YE Chair in June Smith's absence due to a very nasty accident – you were missed June. I am pleased to report a new addition to our Youth Ed Committee Family – a delightful young high school student – Jacqueline Pilcher (Mother, Nicole Boudreault & Grandmother, Karen Boudreault). Three of our schools we've had for years were the only schools submitting student entries – Gledhill, George Webster & Secord – all 3 of whom who have always supported and visited during Legion Week! Not a peep from any of our new schools, although every single one was contacted and provided with all the information. In spite of that we had 157 entries which included Primary, Junior & Intermediate – sadly there were no Senior Entries. This total was up by 42 from last year.

Continuing on Nov. 25, Elsie Higgins, Helen Pearce & Jacqueline Pilcher along with Jacqueline's Cousin, Patrick also a delightful high school student joined forces and met up to continue the data processing involved with the Poster

& Literary entries. After being bumped from floor to floor and finally ending up at the back of the Club Room we joked we just might finally end up in the parking lot to do this! We were able to complete the data process for the 1st, 2nd, 3rd & Honourable Mention entries. Still a lot of data to process. A very special thank you to Nancy McKnight for providing the sandwiches and sweets, to Karen Boudreault for transporting our two young Volunteers. For Elsie and myself, it was truly refreshing to interact with youth and listening to their comments and ideas. Listen up Legion!

Ladies Auxiliary

Well Ladies, here we are again, it's December already. We have had a busy couple months and another one coming up. We had our Remembrance Parade and Service on November 5th. Turn out for the parade was not as good as I would have hoped for as no one showed up from the LA to march but the Branch turnout was good as we had some new marchers and they seemed to enjoy themselves. The roast beef on a bun afterwards was enjoyed with a lot of compliments and I thank all the ladies that helped make it a success.

I thought there might be more people out on the 11th Remembrance Day, seeing as it was a Saturday but we still had a good turnout.

Our deepest condolences go out to Gwen Lake and family on the loss of Joe who has been in Sunnybrook the last couple of years. We will miss him on December 9th at our social.

Our condolences go out to the Million family also on the loss of Alice. Although she was not an LA member she always supported us in many ways and she will be missed by the Monday Night Euchre group.

We had our Bazaar on November 18th and we did very well. We may not have had much items and baked goods to sell but we sold a lot and made some money. The winners of the draw by prize numbers are: Jason Provost # 21 22, Joyce Haden # 15, Jeff Paulin # 34 & 36 & 11, Allen # 6, Wendy Woods # 22, Charlie Silson # 13, Karen Cuffling # 8, Francesca Hines-Small # 37, Derek Strickland # 23, Donald Demone # 4, Helen Pearce # 25, Paul Lake # 19 & 29, Jack

Riddell # 7, Eunice Francis # 3 & 1, Roy Emberly # 10, George Small # 30, Anne Zabiuk # 24, Dawn Strickland # 33, Gwen Lake # 27, 20 & 14, Peter Sutton # 12, Doug Berger # 18, Thomas LeRoy # 35, Helen Small # 9, Brenda Nuclar # 26, Ivy Chryler # 2, Tim Prevost # 16, Joanne Bardon # 31 and Nancy Stanich # 17. Congratulations to all our winners. The winner of Guess the Jelly Beans was William Scott with a guess of 655 exactly.

I would like to personally thank all that helped with the Bazaar in no particular order were: Gail Burrow, Betty Groome, Joanne Bardon, Anne Zabiuk, Anne Davis, Lorraine Stanich, Anne Breen, Wendy Wood, Lois Forrest, Elsie Higgins, Joyce Haden, Molly Sutton, Cathy Cole, Helen Small, Karen Boudreault, Debbie Kirkland, Chris Scott, Jeff Paulin, Ken Erwin, Caroline Hanus, William Scott, Nicole Boudreault, Cindy LeRoy & Dave Ferron. I hope I didn't forget anyone and if I did I am sorry. It was a very busy day as we also had Alice Million's Memorial Service at the same time and I would like to thank Jean Whynot for all her help which enabled me to go back and forth between both functions.

December is now upon us by the time this newsletter gets out. We have a few things going on. We have the LA Zone Cribbage on December 2nd at Branch 1/42 and it is also the Board Games here at our Branch. If you have some time to spare please arrange with Helen Small if there is anything you can do as we do food for them from 9:00 am to 6:00 pm which makes a very long day. On December 9th we have our Sunnybrook Social where we go and serve sandwiches and sweets to all of K Wing Veterans and their families. Please arrange with myself if you wish to come and help and we can arrange rides. It is important to know if you are coming as we are now short a driver with the loss of Bill Topham.

Our General Meeting will be December 13th at 8:00 pm and our Executive meeting will be on December 27th at 7:30 pm. January's General meeting is on the 10th at 8:00 pm. We will be going to Sunnybrook for the bingo on Wednesday, January 17th and our Executive meeting will be on January 31st at 7:30 pm.

At this point of time I would like to personally wish each and every one of you and your family a very Merry Christmas and a Happy New Year.

Yours in comradeship

A Joke or Two

Two backpackers see a bear about to charge them. One backpacker takes off his hiking boots and puts on running shoes. His companion says, "You'll never out run the bear, why are you putting those on?"

The guy with the running shoes responds, "I don't have to out run the bear. I just have to out run you."

A new freshly minted Lieutenant from Toronto is sent to Bosnia as part of the peacekeeping mission. During a briefing on land mines, the captain asks the soldiers if they have any questions.

Our intrepid soldier raises his hand and asks, "If we do happen to step on a mine, sir, what do we do?"

"Normal procedure Lieutenant is to jump 100 feet and scatter oneself over a wide area."

Toronto's original name was York, but it had another name long before that. The area near the shores of Lake Ontario was called 'meeting place' by the Ojibway of Southern Ontario. Their word: Toronto.

How many Irishmen does it take to change a light bulb?
Fifteen. One to hold the bulb and the rest to drink whisky until the room spins.

A Merry Christmas and a Happy New Year
